

EMERGENCY DISPATCH | POLICE OPERATIONS EMERGENCY OPS CENTRES

MAKE BETTER DECISIONS FASTER

Saving time and making the right decisions can save lives – for both those in need and first responders. Black Box provides KVM and visual communication solutions that help public safety agencies respond faster and make better decisions by:

ENSURING THAT CRITICAL COMPUTING INFRASTRUCTURE CAN BE LOCATED IN SECURED ENVIRONMENTS

CREATING A COMMON OPERATING PICTURE THROUGH SHARED VISUALISATION

ENABLING BETTER COLLABORATION AND INFORMATION SHARING

IMPROVING WORKFLOW FOR 112 OPERATORS

**FASTER
RESPONSE**

**SHARING AND
COLLABORATION**

**REAL-TIME
VISUALISATION**

**REMOTE SHARING
AND CONTROL**

VIDEO WALLS

Create flexible visualisation with a virtual canvas across multiple displays, and share to remote users.

KVM SWITCHING AND EXTENSION

Connect users to critical computing resources located in secure environments.

DESKTOP SWITCHING

Access all computers with a single keyboard and mouse with no switching delay.

TOUCH-PANEL CONTROL

Control video content with a simple user interface.

PUBLIC SAFETY COMMAND CENTRE
