Data Taps

Create your own "X" or "Y" cable.

FEATURES

- **Monitor data lines without interruption.**
- **Never go without them — fit in your pocket.**
- **High-quality construction.**

OVERVIEW

Data Taps provide a simple and inexpensive way to create your own "X" or "Y" cable using various lengths of straight-through cable.

They also offer an easy way to monitor data without interrupting data flow or users. Several possible combinations of gender connectors and mating hardware are available.

- **RS-232 Tap:** Three DB25 connectors enable you to monitor RS-232 data lines. Or connect two terminals in parallel to one RS-232 port. All 25 pins are wired straight through to all three connectors.
- **DB9 Tap:** The DB9 Tap features three DB9 connectors for monitoring RS-232, RS-422, 802.5, and other data lines. All 9 pins are wired straight through.
- **DB25 Tap:** This data junction box features four DB25 connectors with all 25 pins wired straight through.

Item	Code
RS-232 Taps (3 DB25 Connectors)	
Female–Female Data Connectors	
Female Tap Connector	**FA140A**
Male Tap Connector	**FA141A**
Male–Female Data Connectors	
Female Tap Connector	**FA142A**
Female Tap Connector with Side Connector Exit	**FA142A-S**
Male Tap Connector	**FA143A**
Male–Male Data Connectors	
Female Tap Connector	**FA144A**
Male Tap Connector	**FA145A**
DB9 Taps (3 DB9 Connectors)	
Female–Female Data Connectors	
Female Tap Connector	**FA146A**
Male Tap Connector	**FA147A**
Male–Female Data Connectors	
Female Tap Connector	**FA148A**
Female Tap Connector with Side Connector Exit	**FA148A-S**
Male Tap Connector	**FA149A**
Male–Male Data Connectors	
Female Tap Connector	**FA150A**
Male Tap Connector	**FA151A**
DB25 Taps (4 DB25 Connectors)	
Female–Female Data Connectors	
Female–Female Tap Connectors	**FA152A**
Male–Female Data Connectors	
Female–Female Tap Connectors	**FA153A**
Male–Female Tap Connectors	**FA154A**
Male–Male Data Connectors	
Male–Female Tap Connectors	**FA156A**
Male–Male Tap Connectors	**FA157A**

Why Buy From Black Box? Exceptional Value. Exceptional Tech Support. Period.

Recognize any of these situations?

- **You wait more than 30 minutes to get through to a vendor's tech support.**
- **The so-called "tech" can't help you or gives you the wrong answer.**
- **You don't have a purchase order number and the tech refuses to help you.**
- **It's 9 p. m. and you need help, but your vendor's tech support line is closed.**

According to a survey by Data Communications magazine, 90% of network managers surveyed say that getting the technical support they need is extremely important when choosing a vendor. But even though network managers pay anywhere from 10 to 20% of their overall purchase price for a basic service and support contract, the technical support and service they receive falls far short of their expectations—and certainly isn't worth what they paid.

At Black Box, we guarantee the best value and the best support. You can even consult our Technical Support Experts before you buy if you need help selecting just the right component for your application.

Don't waste time and money—call Black Box today.
